## Welcome to 2023

The Preston Motorcycle Club Committee would like to welcome competitors, teams, spectators, sponsors, supporters, officials, marshals, and volunteers back to Broadford State Motorcycle Sports Complex for the season opener of the 2023 Pirelli Motul Victorian Road Racing Championships.

This year sees a four-round Victorian Championship scheduled across the Broadford SMSC, The Bend International Circuit (SA), and Phillip Island Grand Prix Circuit. We had so much fun at The Bend, working with the Cafnix crew and the South Australian Road Racing Championships we are heading back this year for round two, and also welcoming our SA compatriots to our Phillip Island Round three. The competition should be fierce with two states battling it out together.

As we head into the year the team at Preston MCC would like to extend a big thank you to all our VRRRC sponsors and supporters and we encourage everyone to back them and support their product and services. Our sponsors are passionate about the sport and give generously to all of us. This helps us to keep the cost of racing down and provide prizes and prize money, and all sorts of paddock support to help out.

Our series sponsors include Pirelli, Motul, Cykel, TAC/Spokes.com.au, Shannon's, Champions Ride Days, MotoTrack Accessories, SpeedAngle, The Grinning Dingo, Ricondi and Action Plus Photography. We couldn't race without their support.

We extend that thank you to our Key Officials, and Race Marshals Victoria volunteers who make events possible in all conditions. Thank you for your contribution, to keeping events safe, flowing smoothly and to schedule wherever possible. Your professionalism means we can utilise every second of our track time and run great events. It is greatly appreciated.

This also extends to Computime Timing Systems providing live timing and race results ([www.computime.com.au](http://www.computime.com.au)) and Mark Lamont from Race Bike Tyre Suppliers, supplying and fitting tyres on race weekends like a machine.

We would also like to thank Cameron White from Action Plus Photography. Cam is one of those rare and genuine guys who gives to our sport for the love of it, and we thank Cam for his support in all forms!

The format for the race weekends will follow the current ASBK schedule with 2 qualifying sessions and 3 long races for the main championship classes. The support classes have 1 longer qualifying session and 4 shorter races. After a couple of years out of the VRRRC paddock, we welcome both the Junior and Sidecar state series back to the series for 2023. We have some amazing young talent out there and we look forward to seeing what they can do in the junior class.

The VRRRC will also include the 2 round Victorian Supermoto Championship. This will be run on the combined dirt/road circuit unless conditions are unsuitable. PMCC are working to find a format that works for all to see this arm of the series grow.

In order to accommodate, we have had to make sacrifices. We will not be running feature races outside of the Harvie Wiltshire and Hughey Hoare perpetual trophies contested at round 3 at Phillip Island. This was a decision supported by most of our riders.

The Harley Davidson Roaring Sporties are back to make noise and make us laugh. We acknowledge the work of Eddy Garner in getting a crew together to support the championship. From what we know, the spectators love this class and it is sure to bring a lot of interest. These guys are fast and they are a great crew to work with. The series will continue to feature the national OZBEARS Challenge with two rounds of the national series included for rounds three and four.

If you are interested in assisting with the series, as a sponsor, or in an official or volunteer capacity, please contact our admin team at; [prestonmcc@gmail.com](mailto:prestonmcc@gmail.com).

We are always looking for new people to assist with the running of events and are looking for innovative creative and passionate people to grow the Victorian Road Racing Championship series.
