The Preston Motorcycle Club Committee would like to welcome competitors, teams, spectators, sponsors, supporters, officials, marshals, and volunteers back to Broadford SMSC for the final round of the 2024 Pirelli Motul Victorian Road Racing Championships.

Round one was held at Shell V-Power Motorsports Park in March, and it was a great weekend to kick off the SA and Victorian Road Racing Championships. Round two looks to be a great weekend of racing, with good fields and close racing forecasted.

Our series naming rights sponsors include Pirelli, Motul, and we welcome RK Chains back to the fold, courtesy of Cykel Products Australia. We have a long and proud partnership with Cykel, with over 10 years of support for the Preston Club and the VRRRC series.

Cykel Products Australia was started in 1986 with a change in ownership in December 2022. Cykel are a privately owned Australian wholesaler of quality motorcycle parts, accessories and apparel, with a head office in Queensland. Their office and warehouse is located in Bayswater, Victoria. Cykel Products Australia distribute to motorcycle stores throughout Victoria and South Australia.

Cykel Products Australia has access to a wide variety of local and international suppliers of motorcycle parts, accessories and apparel. They stock some of the most well-known and reputable brands in the market, such as AGV, Ariete, Arisun, Arrow, Bearing Worx, BMC, Bullbar, CPR, Champion, Difi, Dynavolt, Ferodo, Goodridge, Hiflofiltro, Keiti, La Corsa, Lampa, Macna, Merlin, Motocell, Motul, Nelson Rigg, Nitro, Noco, Pirelli, Polisport, RK, Roadstar, Shot, States MX, TCX, Vee Rubber, Vortex and Wanda.

Cykel are committed to providing customer satisfaction, reliable service, and competitive pricing across the board. They have worked hard to establish ourselves as a trusted source and reliable supplier of motorcycle parts, accessories and apparel throughout Australia. We continue to benefit from their ongoing support.

We have been able to secure series sponsorship for our championship classes in 2024, which sees some great prizes up for grabs for competitors in the feature classes. You will see the round and series prizes for the classes throughout the program. We are thrilled to have the support of the following class sponsors for 2024.

- Superbike – Race and Road
- Supersport 300 – Fusport
- Sidecars - Shannons
- Supersport – Ricondi
- Juniors – Shannons

We have the continued support of MotoTrack Accessories, who have come on board with brands such as Speed Angle, Thermal Technology Australia, Healtech Electronic and WRS, to offer early entry incentive prizes. We need your entries in early to be able to manage a successful event. Thank you for your continued and increased support for 2024.

We continue to provide prizes for competitors thanks to brands such as Champions Ride Days, and DNA Filters. We are proud to be able to offer these products to those who support the series.

Finally, we can't forget to acknowledge The Preston Motorcycle Club and Race Marshals Victoria volunteers who are passionate about running great events and promoting road racing in Victoria. This extends to our providers, Computime Race Timing Systems for their live timing and race results, RBT_Tyre Suppliers providing our Pirelli tyre service and the Event Medical Team, who look after us when things don't go so well.

Mostly, we thank our competitors and their teams, for supporting the series and representing for the 2024 Victorian state title season. Have a fantastic weekend and good luck!

Shannon's Bracket Racing Series

SHARE THE PASSION

Ever thought about moving up from track days and going racing with your mates?

It doesn't matter if you are a novice, or an advanced rider, Bracket Racing is open to all eligible bikes and racers.

Bracket racing is a form of racing where competitors are grouped into brackets according to their lap times, and not by the class of bike they are riding. This form of racing provides a very enjoyable and low cost form of racing.

How do I prepare my bike?

Your bike will need to conform with the requirements of road racing rules, such as lock wiring, removal of stands and glass etc.

Our members will be able to help you with your bike preparation if you are unsure how to do it.

You can refer to the handy guide on our website for basic information on race bike prep.

To enter you need to be a member of the Preston Motorcycle Club and hold an MA Race Licence or one-event competition licence.
